The ride benefits Safe Haven, a program that supports about 150 Safe Haven Homes around the state of Nevada. Safe Haven homes are often called upon in the middle of the night, on weekends and holidays, to provide a nurturing and supportive home for children who are traumatized by abuse and neglect.

The Nevada Child Protection Service agencies annually receive in excess of 22,000 reports of child abuse that must be investigated. Unfortunately, some 60% of these cases are substantiated! That's a LOT of kids that need our help, and your participation will help make a difference in the lives of the youngest and most vulnerable members of our community!
